A WONDERFUL VACATION FOR KIDS AT THE CRESTA PALACE

Dear young guests,
Dear parents,

We are very happy to welcome you here. To ensure that all our guests, young and old, feel completely at home, we have put together a short guide to proper behavior for children.

General Rules at the Hotel

1. You can explore the hotel using our treasure map - there's even a surprise waiting for you at the end. Please check in at the reception to get started.
2. We want you to have an accident-free vacation, so please avoid running in the hallways and jumping down the stairs.
3. Please be considerate of other guests and the property at all times.
4. Would you like to know what there is to experience at the Cresta Palace? Then the wonderful program at the Kids Club is sure to win you over and you will have an unforgettable vacation.
5. We ask that you avoid rushing through the restaurant so that our staff can serve your meals without any interruptions.

General Rules at the SPA

1. We have set aside a children's playtime from **4:00pm to 5:30 pm** for you. Starting at **5:30 pm**, access to the pool is restricted to guests 16 years of age and older.
2. Of course, you are welcome to use the pool area before **4:00 pm**. However, please keep the noise down during this time so as not to disturb other guests.
3. Please do not jump from the pool edge or the diving board. Also, avoid running in the pool area, as you could slip and injure yourself at any time.
4. Your health is important to us, which is why access to the wellness and fitness area is restricted to **guests 16 years** of age and older.
5. Since we always want to ensure that the pool is clean for you, we ask that you please shower before swimming.
